BONTEMPI CASA

classic geometry, modern feeling

Amore per le linee geometriche, ricerca di inedite soluzioni formali e purezza estetica sono il leitmotiv della nuova collezione Bontempi Casa: cromie e contrasti forti nelle figure catturano lo sguardo e sono elementi di decoro, definiscono gli spazi senza l'uso di elementi architettonici.

L'effetto sensoriale creato dai giochi di volume con pieni e vuoti caratterizza questa collezione che racchiude l'essenza dell'anima Bontempi Casa, presentando elementi caratterizzati da una forte identità, da una impronta stilistica contemporanea e di esuberanza ornamentale, ma che si amalgamano perfettamente con i prodotti a catalogo, in combinazioni che interpretano raffinatezza e dinamismo.

Love for geometric lines, search for original formal solutions and aesthetic purity are the leitmotiv of the new Bontempi Casa collection: clear shape contrasts and games of shades capture the gaze.

The sensorial effect created by the games of solids and voids distinguishes this collection enshrining the essence of Bontempi Casa soul and presenting elements characterized by a strong identity, a contemporary stylistic imprint, and an imprint of ornamental exuberance, yet blending perfectly with the products in the catalogue, in combinations expressing refinement and dynamism.

La collezione accentua la capacità dell'azienda di spingersi nell'esplorazione di nuovi orizzonti creativi tra forme, materiali e raffinate texture che esaltano mobili e complementi dal design minimale.

Evoluzione e personalizzazione sono i concetti che da sempre accompagnano la nostra progettualità e le nuove proposte rappresentano il concetto di design come ricerca del bello nell'essenziale, dei dettagli come elementi di decoro e allo stesso tempo funzionali, il tutto in sintonia con le nuove tendenze dell'abitare e con la libertà di personalizzare perchè la casa possa essere la vera espressione di se stessi. L'ethos della collezione è quello di aggiungere una qualità artistica a oggetti di uso comune nella quotidianità, che rendano orgoglioso chi li possiede.

This collection emphasizes the ability of the company of pushing itself further in the exploration of new creative horizons of shapes, materials and fine textures enhancing pieces of furniture and accessories characterized by minimal design.

Evolution and customization are the two concepts that have always distinguished our planning ability, while our new proposals represent the concept of design as search for beauty in the essential, for details as elements that are both decorative and functional. All this is in line with the new living trends and the freedom to customize so that home can be the real expression of oneself. The ethos of this collection is adding artistic quality to everyday objects, making their owner proud of them.

design **Lu.Na Progetti**

Maestoso e incantevole Bach è un tavolo di rilevante potenza scenica, manifesto dell'incessante ricerca dell'eleganza. La base scultorea tecnicamente evoluta e dalle forme morbide crea un gioco di pieni e di vuoti che rendono il tavolo imponente visivamente leggero.

Majestic and enchanting, Bach is a table with a significant scenic vigor, sign of the never-ending search for elegance. The technically developed sculptural base with soft shapes creates a game of solids and voids, that make the impressive table delicate from a visual point of view.

Amelie

design **Cuno Frommherz**

Amelie è una sedia dal fascino elegante ma casual e dal comfort avvolgente, assicurato dallo schienale e dalla seduta elegantemente curvati e dalle morbide imbottiture che conferiscono alla seduta la comodità di una poltrona. La rotondità delle gambe a fuso alleggerisce e addolcisce la figura dalle dimensioni generose, che si sposa con il gusto internazionale ed è un must per ogni ambiente, dalla zona dining alla zona living, dallo studio all'ufficio.

Amelie is an elegant and charming chair, which is also casual and has an embracing comfort due to the finely curved and softly upholstered back and seat, which give to the seat the comfort of an armchair. The roundness of spindle legs lightens and softens its figure with generous sizes, that perfectly match with the international taste and that make this chair a must have for every environment, from the dining room to the living room and the studio.

Scrittoio / *Desk*

Matisse

design **Yoshino Toshiyuki**

Funzionalità, sintesi e sobrio design fanno di Matisse un pratico arredo. Matisse è lo scrittoio utile per creare un angolo lettura, una scrivania minimal per postazioni di lavoro home office e può essere utilizzato anche come consolle. Finemente accessoriato, questo mobile dalle misure contenute e dalla struttura snella, afferma il perseguimento costante dell'innovazione: il vano portaoggetti impreziosisce il design dello scrittoio, il cassetto estraibile, a scomparsa, è un utile spazio che garantisce ordine estetico in un ambiente dal gusto minimale ma ricercato.

Functionality, synthesis, and sober design make Matisse a practical piece of furniture. Matisse is a desk useful to create a reading corner, a minimal desk for home office workspaces and can also be used as a console. Finely equipped, this desk, with its contained dimensions and its slim structure, states the incessant pursuit of innovation: the glove compartment enriches the desk design, the retractable drawer is a useful space that allows to create aesthetic order in minimal, yet refined environment.

Madie / *Sideboards*

Musa

design **Studio E-ggs**

Musa è l'interpretazione all'avanguardia della naturalezza e della poliedricità del legno. La madia dal design puro e lineare incanta per la texture delle ante a battente percorse da scanalature in altezza che creano un motivo grafico sulla superficie con un armonico gioco di luci e ombre e un effetto tridimensionale. Questa lavorazione conferisce grande carattere stilistico a un classico dell'arredamento.

Musa sideboard is an innovative interpretation of simplicity and versatility of wood. This sideboard with its pure and simple design seduces also for the texture of its doors, which are run vertically by grooves forming a graphic motif on the surface, which creates a harmonious game of lights and shadows and a tridimensional effect. This manufacturing work endows a classic piece of furniture with great stylistic character.

Libreria / *Bookcase*

Atena

design Pucci & Dondoli

Il match-up materico esteticamente accattivante caratterizza la libreria Atena. Le geometrie esaltano l'apparente semplicità del progetto che invita alla personalizzazione nella scelta non solo delle finiture ma anche degli spazi, con un'alternanza di pieni e vuoti che creano dinamismo e riflessi, in stravagante contrapposizione al rigore dei quadrati e dei rettangoli che compongono il mobile.

An aesthetically appealing material match-up characterizes Atena bookcase. Its geometries enhance the apparent simplicity of the design, which invites to customization in the choice not only of finishes, but also of spaces, alternating solids and voids, which endow the bookcase with dynamism and reflections, in extravagant contrast to the rigor of squares and rectangles.

Papillon

design **Studio Design F+B**

Artisticamente minimal, la lampada Papillon vibra nello spazio con la sua luce e con i riflessi della struttura in metallo che ingloba il corpo illuminante. La struttura delicata e leggera sembra un gioiello che volteggi nell'aria. I due cerchi concentrici e rotanti possono essere orientati a piacimento permettendo di personalizzare la configurazione della lampada e la diffusione della luce. La lampada a sospensione è orizzontale nella versione a soffitto, verticale nel modello cielo-terra.

Artistically minimal, Papillon lamp vibrates in the space with its light and with the reflections of its metal structure that embeds its illuminating body. The delicate and light structure recalls a jewel floating in the air. The two concentric and rotating circles can be oriented according to the user's taste, allowing to customize the lamp configuration and the diffusion of light. The lamp is horizontal in the suspension version and vertical in the floor version.

design Marco Corti

Il suo design compatto e le delicate impunture lo rendono un modello moderno e allo stesso tempo indiscutibilmente elegante. Braccioli e schienali sottili racchiudono le forme imbottite e generose. Le linee minimal della struttura e le sedute alte sono una combinazione perfetta per il relax.

Compact design and delicate stitchings contribute to the modern and elegant appeal of this sofa. Slim arms and backrests embrace generous, padded shapes. The structure's minimalist lines and high seats are perfect for relax.

ZENIT WALL / PLUS

design Andrea Arena

Un sistema componibile che si declina, a parità di ingombri e modularità, su due filoni strutturali diversi. Lo Zenit Wall è caratterizzato da una seduta monoblocco, mentre lo Zenit Plus ha i cuscini di seduta che poggiano su di un basamento imbottito. Le diverse tipologie di schienale e la varietà di configurazioni possibili, arricchite da accessori come la libreria o i tavolini dedicati, fanno di Zenit un sistema con cui è possibile rispondere alle esigenze funzionali e stilistiche più disparate.

A modular system splitted, with the same overall dimensions and modularity, on two different structural lines. Zenit wall version is characterized by a monoblock seat, while the Zenit plus version has a seat cushions resting on a padded base. The different types of backrest and the variety of possible configurations, enriched by accessories such as the bookcase or specific coffee tables, make Zenit a system with where is possible to find the most disparate functional and stylistic needs. Completely removable cover in fabric, while back cushions only when in leather.

design Andrea Arena

Armonia, discrezione, morbidezza, accoglienza. Si potrebbe ancora continuare nel trovare riferimenti che possano descrivere questa poltrona, disegnata da una linea che si insegue dolcemente, senza mai interrompersi. Super avvolgente, come un abbraccio. Non è una semplice poltrona, ma un microcosmo di comodità che ti accoglie e protegge dopo un'intensa e lunga giornata.

Harmony, discretion, softness, hospitality. There are endless references to describe this armchair designed by a line that follows itself gently, without ever stopping. Enveloping gentle like a hug, it is not a simple armchair but a microcosm of comfort that welcomes and protects after an intense and long day.
